

How to make an on-site flu shot event appointment

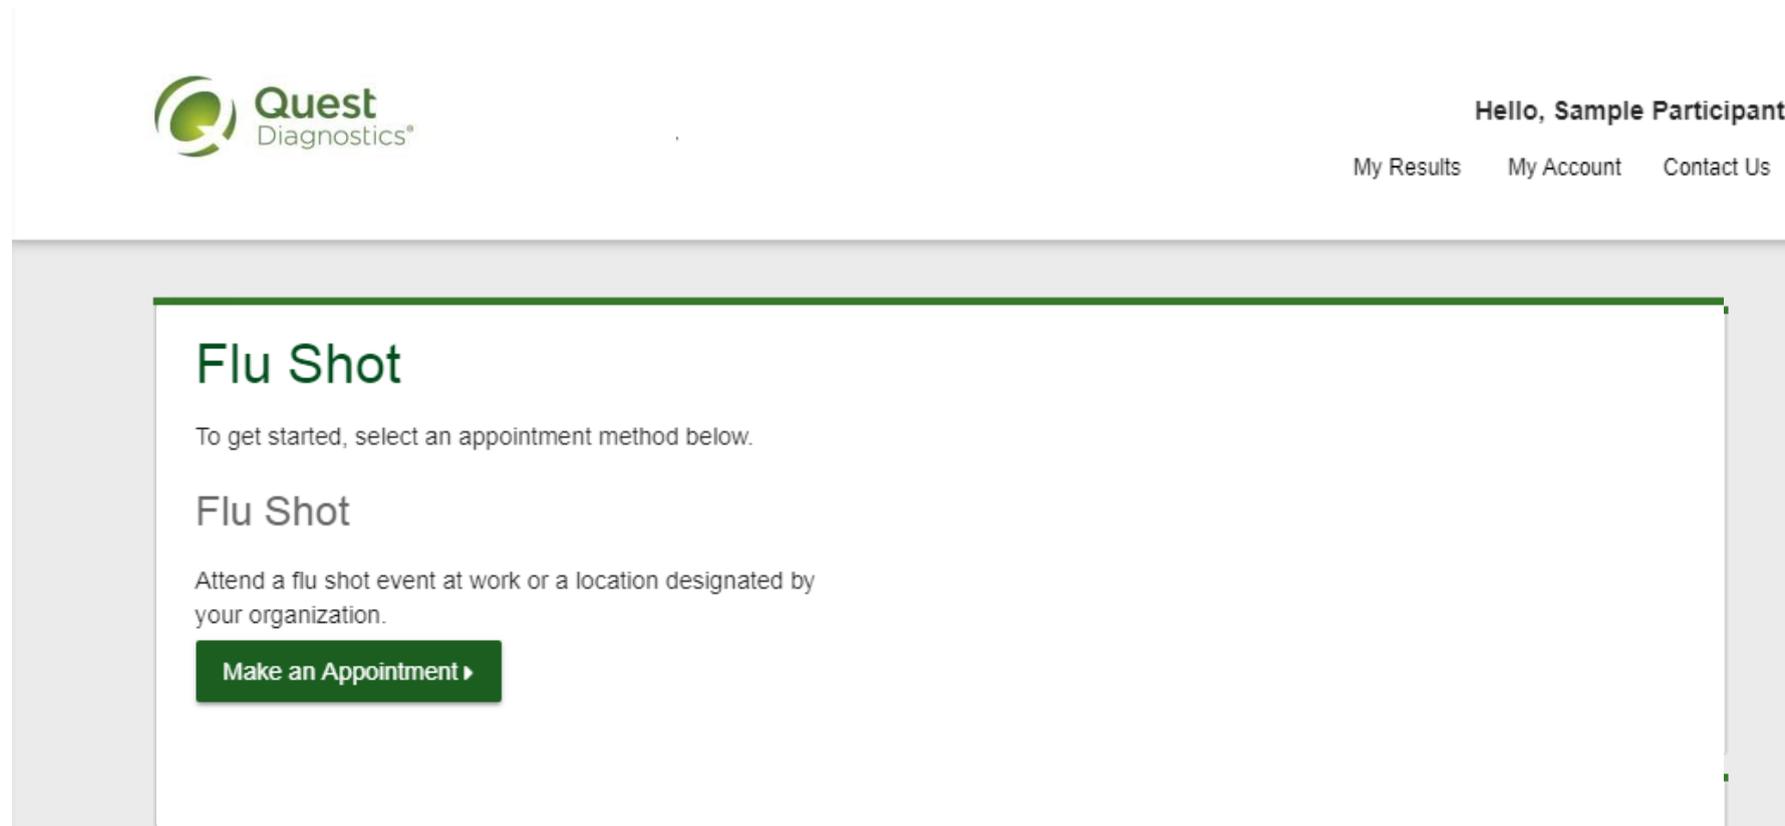

- Visit My.QuestForHealth.com
- If you've already established an account, use the **Log In** area to enter your **username** and **password** and select the green **Log In** button
 - If you've forgotten your login information, use the **password** link to reset your password or the **username** link to retrieve your username
- If you've never registered on the site to establish an account, use the **Create Account** area, enter the **Northrop Grumman Registration Key: Northrop2024.**
- After logging in or registering, you will be taken to the dashboard

The screenshot shows the Quest Diagnostics website dashboard for a participant. At the top left is the Quest Diagnostics logo. At the top right, it says "Hello, Sample Participant" with links for "My Account", "Contact", and "Logoff". The main content area is divided into two sections. The first section is titled "Why Should You Participate" and contains the text: "Completing a screening gives you the knowledge you need to identify your health risks and transform your health. Schedule your screening today!". To the right of this text is an image of a woman and a child cooking together. Below the image is a green button that says "About Your Program" with a right-pointing arrow. The second section is titled "Wellness Screening" and contains the text: "To get started, select an screening method below." Below this text are two columns. The left column is titled "Patient Service Center" and contains the text: "Schedule a screening at a nearby Quest Diagnostics location." Below this text is a green button that says "Schedule a Screening" with a right-pointing arrow. The right column is titled "Onsite Event" and contains the text: "Attend a wellness event at work or a location designated by your organization." Below this text is a green button that says "Make an Appointment" with a right-pointing arrow.

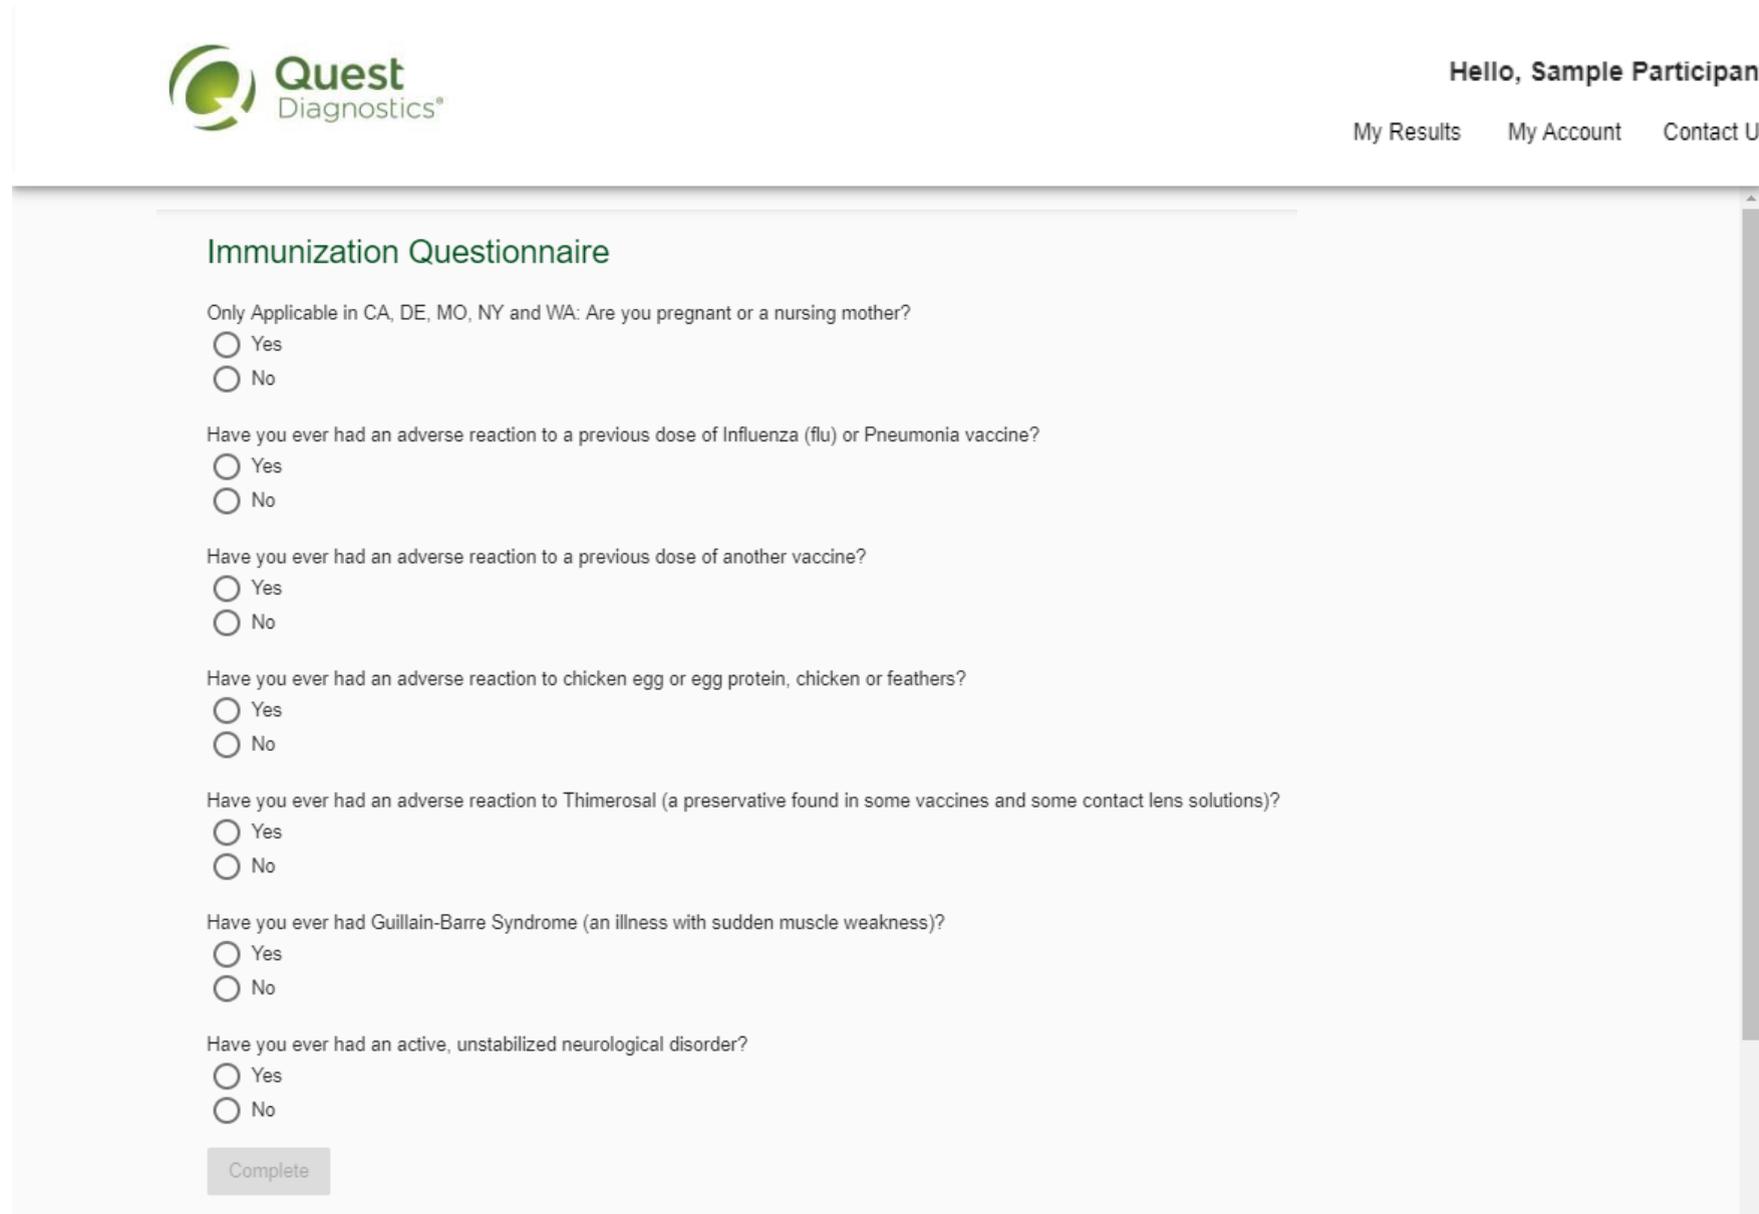

Please note: these screenshots are based on common browser resolution; actual screens may vary due to responsive design. If you are viewing on a tablet or smartphone, the images may look different.

- If you have already completed your screening, the **Flu Shot** section will be near the top of your dashboard
- If biometric screenings are available and you have not yet completed your screening, the **Flu Shot** section may be below other sections, such as the **Wellness Screening** section or **Why Should You Participate** section
- In the **Flu Shot** section, under **Onsite Flu Shot Event**, select the green **Make An Appointment** button to schedule your appointment

The screenshot shows the Quest Diagnostics website interface. At the top left is the Quest Diagnostics logo. At the top right, it says "Hello, Sample Participant" with links for "My Results", "My Account", and "Contact Us". The main content area is titled "Flu Shot" and includes the text "To get started, select an appointment method below." Below this, there is a sub-section titled "Flu Shot" with the text "Attend a flu shot event at work or a location designated by your organization." and a green button labeled "Make an Appointment ▶".

- Before selecting a location, date, and time for your appointment, you must complete the **Immunization Questionnaire**.
- Answer each question, then select **Complete**.

The screenshot shows the Quest Diagnostics website interface. At the top left is the Quest Diagnostics logo. At the top right, it says "Hello, Sample Participant" with links for "My Results", "My Account", and "Contact Us". The main content area is titled "Immunization Questionnaire" and contains seven questions, each with "Yes" and "No" radio button options. A "Complete" button is located at the bottom of the questionnaire.
